WARRANTY: We warrant to the original purchaser that this product is free from defect in workmanship and materials (other than the cover) and will remain serviceable under normal use and service for a period of (X) years, beginning with the date of purchase by the consumer. If this product becomes unserviceable for reason other than misuse or neglect within the warranty period, the purchaser may return the product to the dealer from whom purchased. We will **restore** the product to first-class condition at no cost to the purchaser.² No other warranty is expressed or implied.

Please check for the following before making an inquiry:

1. Original receipt of purchase
2. Law label still intact (see image below, always located on the **back**)
3. Look for the mattress name/label on the **front**. Depending on the mattress, the label might be in a different area but will remain on the front of the mattress.
4. **No stains**. All/any stains shall void your warranty.
